Are Dull and Easy on  
Basis of Bids.

Values of local securities were generally easy yesterday. Transit opened at 8:15 and declined to 8:30, with bidding no longer than 10¢ above. United Railways preferred was up 10¢, and 10¢ above. The petro-chemicals closed fractionally lower at 10¢ per share. In the banking group there was no activity. Bids for trust company issues were generally lower and bank stocks were neglected.

Central Coal and Coke command at \$2.50
